About Shepherd Studios.

Who is Shepherd Studios?

Shepherds Studios is a multi-media design studio focused on motion graphics, aiming to bring stories to life with engaging visuals.

Motion ads capture and retain attention better than static visuals, creating lasting impressions.

The studio offers high-quality motion design to help brands stand out and be memorable.

Our Story

Founded by two creatives, Benito & Samuel, Shepherds Studios was inspired by the scripture Psalm 23.

This scripture, speaks to themes of guidance, care, and support, core values that Benito & Samuel strive to embody in their work and interactions with clients.

Our Vision & Mission

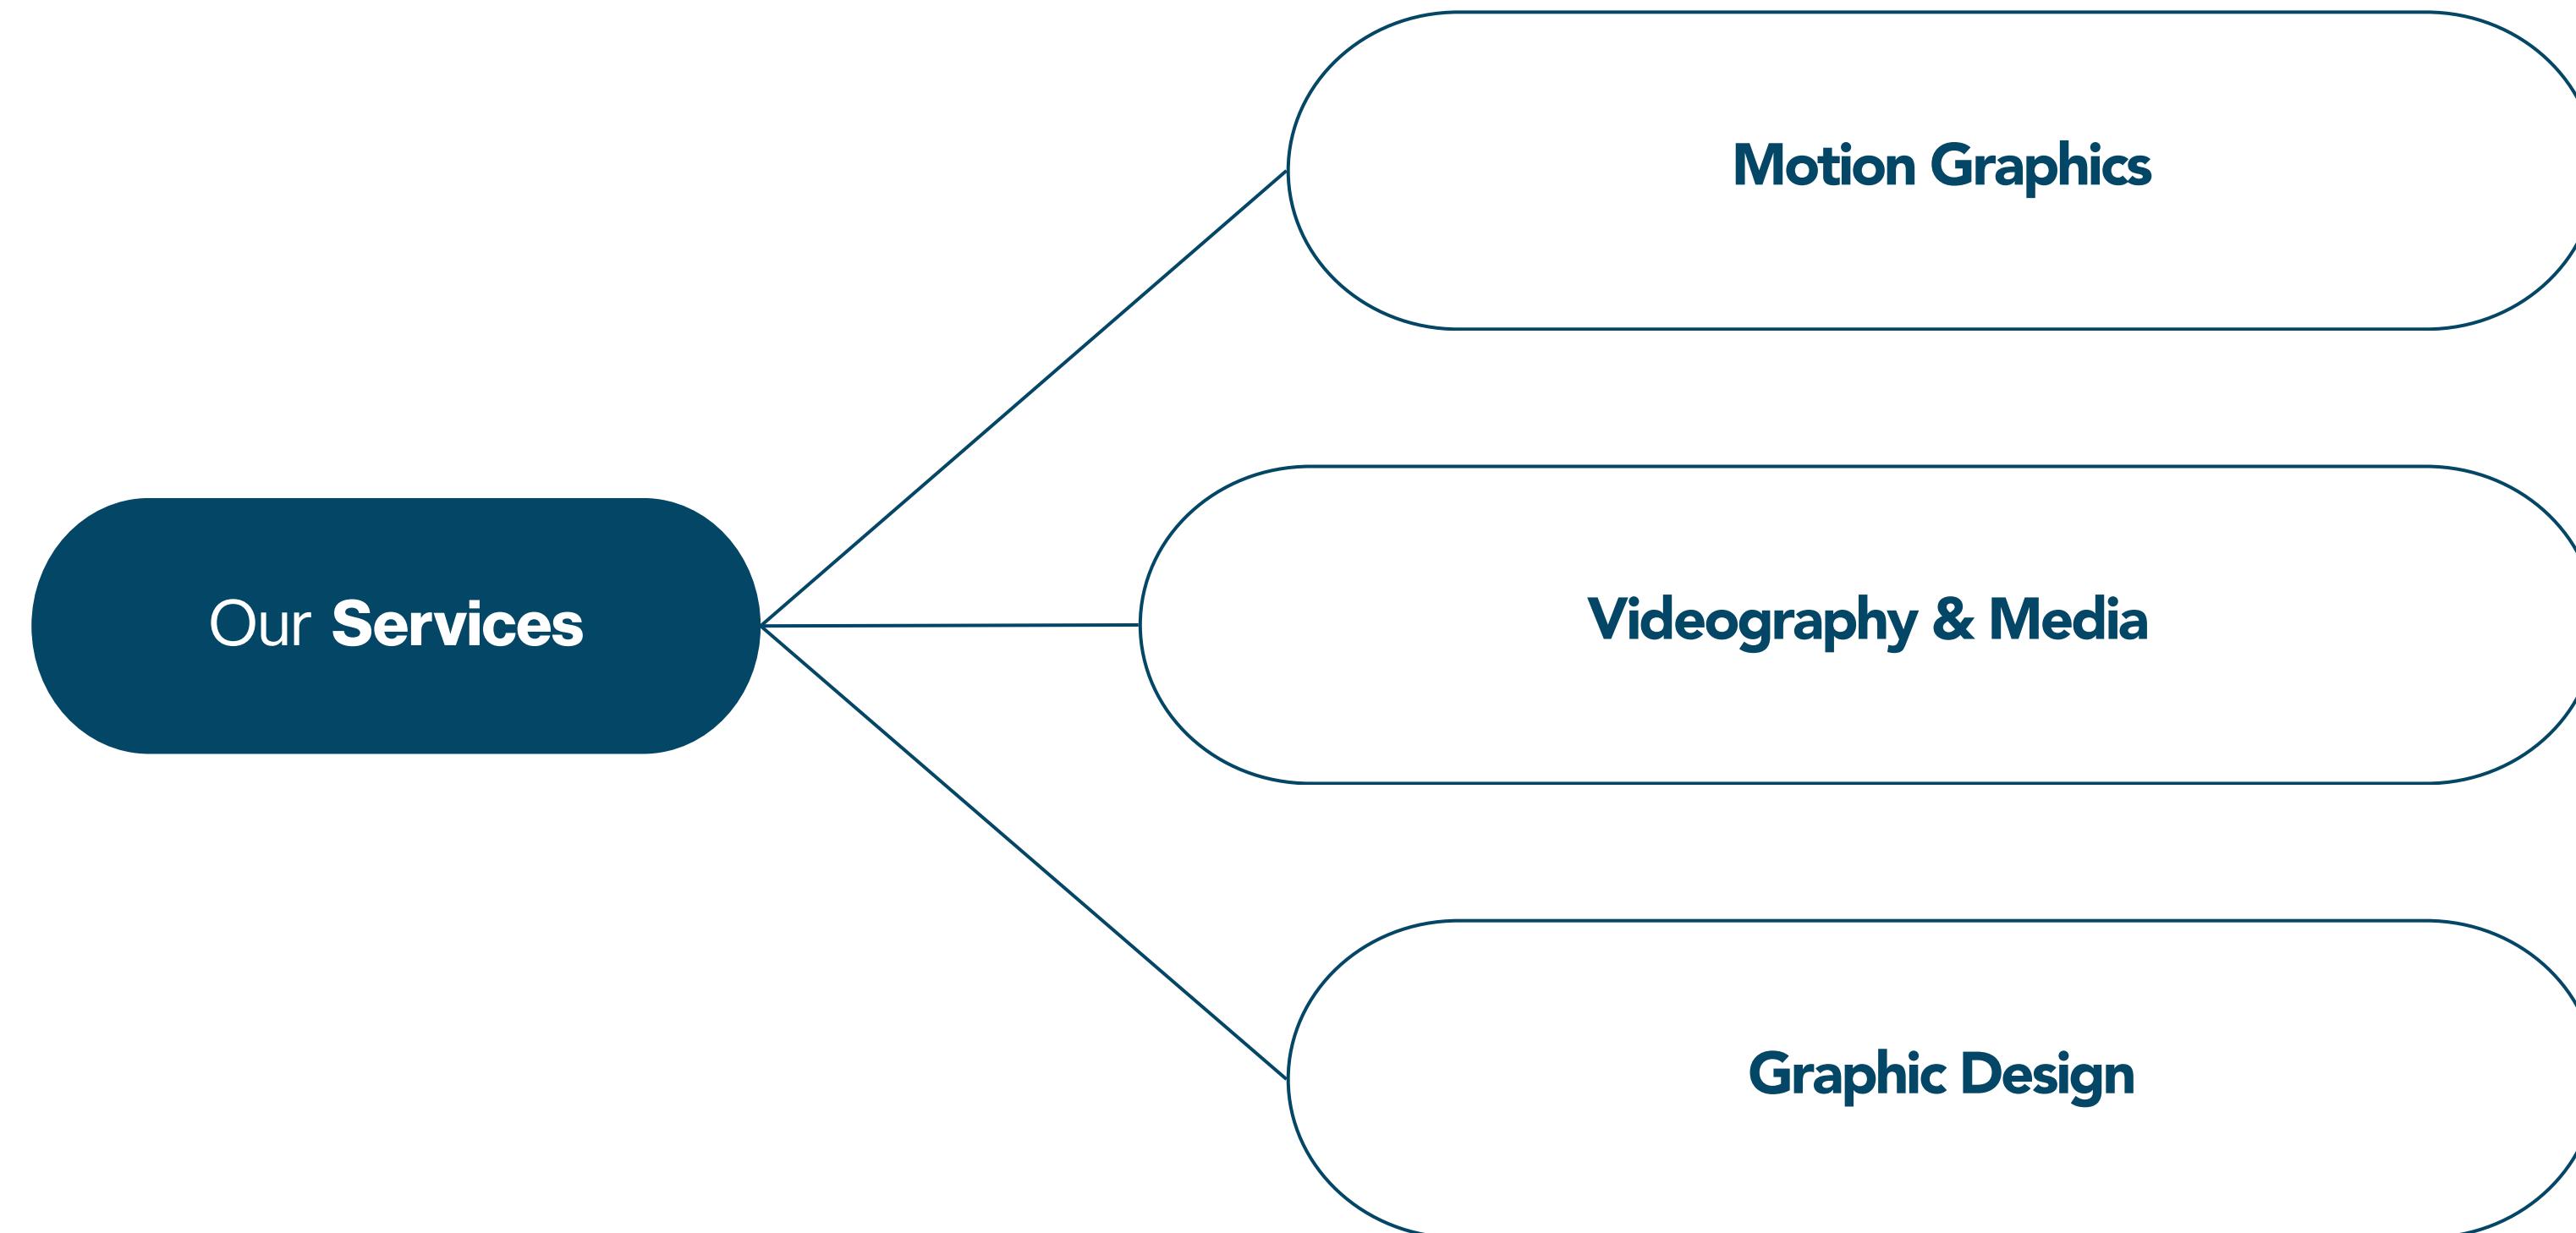

02

Our Vision

To establish ourselves as the premier design studio in South Africa, renowned for exceptional service and the creation of bold, unforgettable designs.

Our Mission

Our mission is to not only deliver exceptional designs but also to craft unforgettable experiences for our clients through excellence in service.

Why Us?

04

The Problem

In today's digital jungle, businesses are like peacocks trying to show off their feathers to get noticed. But here's the thing: even the brightest feathers can lose their shine quickly. That's why many smart companies are leaving behind old-style graphic design and choosing new ways to keep people interested.

Our Solution

Spice up your graphic design with a dash of motion and animation magic to make your company stand out from the crowd! Energetic animations and interactive content transform your brand into a captivating spectacle, mesmerizing audiences and keeping their eyes glued to the screen.

“ Shepherd Studios' expertise transformed our ngo. Amateur materials became professional, boosting credibility. Visual storytelling in proposals deepened donor connections, significantly improving fundraising results. **”**

— Joel Maniaki, CEO

Our **Process**

The diagram illustrates a process flow. A large, dark blue horizontal oval on the left contains the text "Our **Process**". From the right side of this oval, a thick, dark blue curved line extends to the right, forming the top half of a circle. This curve connects to three numbered circles arranged in a triangle: a light blue circle at the top labeled "01", a medium blue circle on the right labeled "02", and a dark blue circle at the bottom labeled "03". From the bottom-left of the dark blue circle, another dark blue curved line extends downwards and to the right, forming the bottom half of the circle and connecting back to the original oval.

The image displays three orange-colored promotional materials for Bahati Transportation, arranged in a staggered, overlapping fashion.

- Top Left:** A booklet titled "Value STATEMENT" in white and blue text. Below the title is the subtitle "RELIABILITY | PUNCTUALITY | REACH". The text inside discusses the company's commitment to providing dependable transportation services across South Africa, emphasizing punctuality, reliability, and community impact.
- Bottom Left:** A booklet featuring the text "We are Bahati Transportation" and "WE WILL GET YOU THERE!" Below this are three icons: a thumbs-up, a shield, and a clock.
- Right:** A booklet featuring a compass rose icon at the top, followed by the text "We are Bahati Transportation" and "WE WILL GET YOU THERE!". It also includes a large image of a bus and the text "NOW LAUNCHING" above a smartphone screen showing the Bahati Transit app.
